

Terms of Service

=====

Last revised on 15 JUNE 2021

Introduction

=====

O2Plus Android App provides the "Serverless Cloud Data Transfer" Service, which we hope you use. If you use it, please use it responsibly. If you don't, we'll have to terminate your account.

For paid accounts, you'll be charged on a monthly basis. You can cancel anytime, but there are no refunds.

You are responsible for the content that you access through this service and you're responsible for keeping it safe.

The Terms of Service, O2Plus Cloud Services itself, and our prices can change at any time. We'll warn you 30 days in advance of any price changes. We'll try to warn you about major changes to the Terms of Service or O2Plus Cloud Services, but we make no guarantees.

That's the basic idea, but You must read through the entire Terms of Service below and agree with all the details before You use any of our sites (whether or not you have created an account).

Reuse

=====

This document is an adaptation of the [Heroku Terms of Service](<http://legal.heroku.com/tos>), which is turn an adaptation of the [Google App Engine Terms of Service](<http://code.google.com/appengine/terms.html>). You're welcome to adapt and use this document for your own needs. If you make an improvement, we'd appreciate it if you would let us know so we can consider improving our own document.

Agreement with O2Plus Android App

=====

Your use of the O2Plus cloud service is governed by this agreement (the "Terms"). "O2Plus" means O2Plus Android App. The "Service" means the services O2Plus Android App makes available include our web sites (<https://o2plus.ml>), our blog, our API, and any other software, sites, and services offered by O2Plus Android App in connection to any of those. "Customer Cloud Content" means access to the cloud you submit to O2Plus Android App for the purpose of using the Service. "Content" means all content generated by O2Plus Android App on your behalf (including metric data) based on the files in your cloud.

In order to use the Service, You (the "Customer", "You", or "Your") must first agree to the Terms. You understand and agree that O2Plus Android App will treat Your use of the Service as acceptance of the Terms from that point onwards.

O2Plus Android App may make changes to the Terms from time to time. You may reject the changes by terminating Your account. You understand and agree that if You use the Service after the date on which the Terms have changed, O2Plus Android App will treat Your use as acceptance of the updated Terms.

If you have any question about the Terms, please contact us at cdbgelphpw@outlook.com.

The Services may include hyperlinks to other web sites or content or resources or email content. You acknowledge and agree that O2Plus Android App is not responsible for the availability of any such external sites or resources, and does not endorse any advertising, products or other materials on or available from such web sites or resources.

License from O2Plus Android App and Restrictions

=====

O2Plus Android App gives You a personal, worldwide, royalty-free, non-assignable and non-exclusive license to use the software provided to You by O2Plus Android App as part of the Service as provided to You by O2Plus Android App. This license is for the sole purpose of enabling You to use and enjoy the benefit of the Service as provided by O2Plus Android App, in the manner permitted by the Terms.

You may not (and You may not permit anyone else to): (a) copy, modify, create a derivative work of, reverse engineer, decompile or otherwise attempt to extract the source code of the Service or any part thereof, unless this is expressly permitted or required by law, or unless You have been specifically told that You may do so by O2Plus Android App, in writing (e.g., through an open source software license); or (b) attempt to disable or circumvent any security mechanisms used by the Service.

Open source software licenses for components of the Service released under an open source license constitute separate written agreements. To the limited extent that the open source software licenses expressly supersede these Terms, the open source licenses govern Your agreement with O2Plus Android App for the use of the components of the Service released under an open source license.

Exclusion of warranties

=====

* You expressly understand and agree that your use of the service is at your sole risk and that

the service is provided "as is" and "as available."

* You agree that O2Plus Android App has no responsibility or liability for the deletion or failure to store any Content and other communications maintained or transmitted through use of the Service. You further acknowledge that You are solely responsible for securing and backing up Customer Cloud Content.

* O2Plus Android App, and its subsidiaries, affiliates, officers, agents, developers, employees, advertisers, licensors, suppliers or partners (collectively "O2Plus Android App and Partners") are not liable for any copyrighted files shared on the platform. The whole responsibility lies with the customer to not use any copyright material while using O2Plus Android App.

* O2Plus Android App does not warrant to you that: (a) your use of the service will meet your requirements, (b) your use of the service will be uninterrupted, timely, secure or free from error, (c) the results or data provided by the Service will be accurate, (d) the quality of the service will meet your expectations and (e) any errors in the Service will be fixed.

Limitation of liability

=====

You expressly understand and agree that O2Plus Android App, its subsidiaries and affiliates, and its licensors shall not be liable to you for any direct, indirect, incidental, special consequential or exemplary damages which may be incurred by you, however caused and under any theory of liability. This shall include, but not be limited to, any loss of profit (whether incurred directly or indirectly), any loss of goodwill or business reputation, any loss of data suffered, cost of procurement of substitute goods or services, or other intangible loss (whether or not O2Plus Android App has been advised of or should have been aware of the possibility of any such losses arising).

Indemnification

=====

You agree to hold harmless and indemnify O2Plus Android App, and its subsidiaries, affiliates, officers, agents, employees, advertisers, licensors, suppliers or partners (collectively "O2Plus Android App and Partners") from and against any third party claim arising from or in any way related to (a) Your breach of the Terms, (b) Your use of the Service, (c) Your violation of applicable laws, rules or regulations in connection with the Service, or (d) Your Cloud Access, including any liability or expense arising from all claims, losses, damages (actual and consequential), suits, judgments, litigation costs and attorneys' fees, of every kind and nature. In such a case, O2Plus Android App will provide You with written notice of such claim, suit or action.

General Legal Terms

=====

The Terms constitute the whole legal agreement between You and O2Plus Android App and govern Your use of the Service and completely replace any prior agreements between You and O2Plus Android App in relation to the Service.

You agree that if O2Plus Android App does not exercise or enforce any legal right or remedy which is contained in the Terms (or which O2Plus Android App has the benefit of under any applicable law), this will not be taken to be a formal waiver of O2Plus Android App's rights and that those rights or remedies will still be available to O2Plus Android App.

O2Plus Android App shall not be liable for failing or delaying performance of its obligations resulting from any condition beyond its reasonable control, including but not limited to, governmental action, acts of terrorism, earthquake, fire, flood or other acts of God, labor conditions, power failures, and Internet disturbances.
